

# **ComPriSec – The New Normal**

## **Wed, July 28, 2021**

### **Presented by:**

**Ron Woerner, CISSP | CISM**

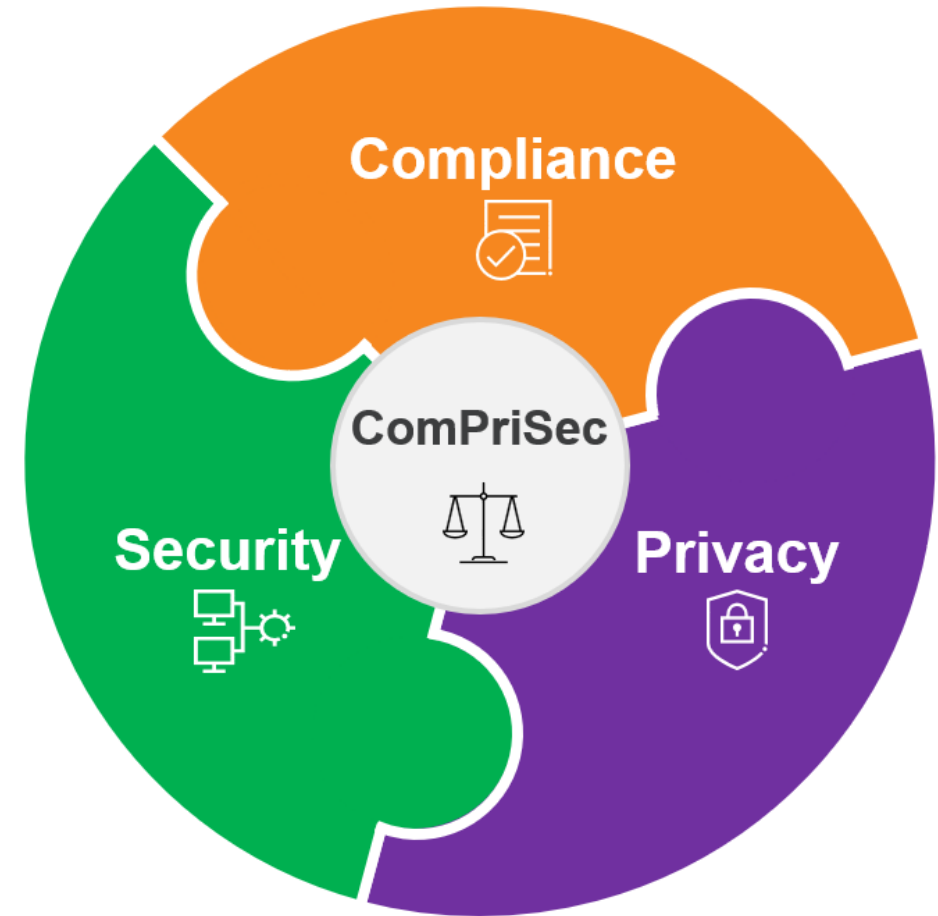

**Matt Morton, HCISPP | CISSP | CISM**

**Lisa McKee, CISA | CDPSE | PCIP | MSSL**

**Robert LaMagna-Reiter, CISSP | CISM | CDPSE | CHP | PCIP | Sec+**

# Learning Objectives

- Define and differentiate compliance, privacy & security responsibilities
- Methods for coordination and collaboration
- Overcoming challenges
- Communicating wins & alignment
- Solutions

# Applying ComPriSec in your Organization

- Within a week:
  - Identify ComPriSec in your organization (who, when, where, how, and why)
  - Take steps to collaborate across ComPriSec roles
  - Evaluate ComPriSec industry standards, frameworks and regulations
- In the first three months following this presentation you should:
  - Analyze efficiencies for ComPriSec roles (position, budget, responsibilities)
  - Implement solutions for managing conflict between ComPriSec roles

Questions?
